

CURRICULUM VITAE - RYAN M. REYNOLDS

Senior GIS Analyst
Senior Geomorphologist

Current Address

COTTON, SHIRES AND ASSOCIATES, INC.
330 Village Lane
Los Gatos, California 95030
Phone: (408) 354-5542, FAX: (408) 354-1852
Email: rreynolds@cottonshires.com

Education

MA, Physical Geography (Fluvial Geomorphology), California State University, Northridge, 2011
BA, Physical Geography, San Diego State University, 2006

Representative Experience

Mr. Reynolds has over six years of professional experience as a geomorphologist at Cotton, Shires and Associates, Inc. (CSA). Mr. Reynolds has worked on a variety of projects including geologic and geotechnical peer reviews for Bay Area municipalities, topographic surveying, analysis of aerial photograph interpretation, logging of exploratory boreholes and test pits, installing and monitoring of slope inclinometers and other instrumentation, and construction inspecting and testing.

Mr. Reynolds also has extensive experience with Geographic Information Systems (GIS). GIS projects with CSA include municipal geologic maps, movement potential maps, and geologic hazard mapping of canals and penstocks in the Sierra Nevada Mountains. In addition to GIS mapping skills, Mr. Reynolds also gained experience collecting and processing terrestrial LiDAR data while a student at California State University, Northridge.

Professional History

Staff GIS Analyst/Geomorphologist to Senior GIS Analyst/Geomorphologist, Cotton, Shires and Associates, Inc., August 2011 to present
Terrestrial LiDAR Research Assistant, Department of Geology, California State University, Northridge, August 2010 - July 2011

Publications

ENGINEERING GEOLOGIC HAZARD MAPPING OF WATER CONVEYANCE CANALS: DATA ACQUISITION TECHNIQUES AND TECHNOLOGY, 2016 (with D. Marcum, J. Wallace, E. Steen and R. McManus), Applied Geology in California, Association of Engineering Geologists Special Publication
